

Up to
18 kg

Relax 2

ZOP055212

FOR FUN AND REST

This bouncer will entertain and calm even the youngest children. An adjustable backrest will ensure a comfortable rest for Your child. The bouncer has a vibration function and soothing melodies to help them relax and calm them down. To keep your baby playful and entertained, there is a toy bar. A sturdy aluminium frame is very durable and can carry up to 18 kg. It is very compact and you can have it at Your side whenever you need it.
